Each time, **Parasol** is playing, they bring a little bit sunshine into the ballroom.

Dancing around the parasol the dancing couples loose themselves in the eyes of their partner. The world is spinning a little bit faster and time seems to be sticking somewhere in a small corner of the ballroom.

On play are uneven waltzes (valse impaire), mazurka, scottish, bourrée, jigs...

It's not necessary to bring a own dancing partner, but it is recommended.

At 17h a Tune Learning Session is held
